

# AST 101/ HIS 179 Introduction to Chinese Culture Dr. Yi

---

11:30 am - 12:20 pm

Monday/ Wednesday/ Friday

Have you ever tasted loose-leaf tea? Are you curious about Chinese medicine? This course doesn't just introduce topics like Confucianism and Daoism; we will also explore the stories of concubines, empresses, and revolutionary women. We'll read classic Chinese poems, drama, and novels. Whether you're interested in traveling to China, taking more advanced courses on China, or you're just curious about Chinese culture, this course is right for you!
