THINKING AND WRITING ABOUT HISTORY

# THE ATOMIC BOMB CONTROVERSIES

---

M/W/F | 2:30-3:20 PM

DR. JAUNDRILL

---

Learn the foundational skills of the historian's craft as you explore one of history's great debates: the 1945 dropping of the atomic bombs. Our class will explore both the history behind the the bombs and the ways that subsequent generations have attempted to understand their use.
